Dual Logo Custom Printing Layout Options

Custom printing onto TITANIUM™ Synthetic Underlayments is a great way to maximize your company profile. Our dedicated Dual Logo Team is available to help you through every step of the process and ensure that you receive the highest quality custom printed synthetic roofing underlayment available. For the mutual benefit of both parties, the InterWrap Inc. TITANIUM Dual Logo Program Custom Printing Authorization Agreement on page one of this form must be completed and signed before any artwork can be created.

NOTE: The maximum plate size is 40" left to right by 24" top to bottom. Print repeats every 48"

InterWrap's TITANIUM UDL-25 logos, caution statements, overlap guides and nailing targets will be printed in Black and in Pantone Violet for TITANIUM UDL-50. InterWrap reserves the right to change any portion of the custom print that is not part of the client's artwork at any time. All rights reserved. ©2009 InterWrap Inc.
