**Subject:**

InterWrap Inc, TITANIUM™-UDL Synthetic Roofing Underlayment Applications using Miami-Dade tin caps and ring shank nails as approved in NOA # 03-0307.02

**Reference:**

InterWrap Inc, TITANIUM-UDL, Dade County and Florida Building Code

**TO:**

All Building Officials and Building Inspectors

Please be advised that the use of approved Dade County "Tin Tags and nails" are to be used in Dade and Broward County, per Dade County NOA#03-0307.02

Outside of Dade and Broward Counties, it is InterWrap position to use plastic cap and ring shank nail's in all other counties as outlined on our Titanium™ printed on the top side of the product facer, in our installation instruction and written specifications.

If a contractor decides to use Dade County Tin Tags and ring shank nails outside of Dade and Broward County this will not in any way affect the Titanium warranty, provided it is installed per the Dade County NOA# 03.0307.02

If we can be of further help, please advise.

Best regards,

MANISH SETH [R&D MANAGER], ON BEHALF OF:  
GARY H. SCHINNING  
Division Manager – Roofing Products
