Please provide contact information for the person responsible for approving the print plate below.

The undersigned customer agrees to purchase and InterWrap agrees to sell a printed coated woven synthetic roofing underlayment in accordance with the terms and conditions of this agreement and conditions of sale. This agreement shall terminate upon 30 days prior written notice by either party to the other. Upon termination of the agreement, neither party shall be liable to the other for any damages whatsoever sustained or alleged to have been sustained by reason of such termination, except that customer agrees to take and pay for InterWrap's inventory of product with the undersigned customers printing. Manufacturing's goal is to produce the order as requested but reserves the 10% ± variance. Customer agrees to accept and pay for complete orders including any variance. InterWrap will not retain or store any leftover inventory for the customer. Completion of manufacture will be approximately 4 weeks from the date that InterWrap receives a signed authorization of the printing plate artwork.
